Compatible Systems Requirement

- **Apple:** iOS 10.x and 11.x (*see note*)
- **Apple Watch:** watchOS 3 and 4
- **Android:** OS version 6.0.1 or later

The BEYOND™ app solution is designed and tested with the above mentioned devices and operating systems.

If your Apple or Android device is not mentioned in the supported device list/ or has a non-supported operating system, the functionality of the app is not guaranteed. Please contact your hearing care professional for advice.

Note:

Widex cannot confirm optimal compatibility with iOS 11.4, specifically for iPhone SE. We recommend users not upgrading to iOS 11.4 at this time.
